

Privacy Policy

Express Maintenance built the Express Maintenance Mobile App application as a Business application. This SERVICE is provided by Express Maintenance and is intended for use as is. This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information in a Bring Your Own Device (BYOD) work circumstance. If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Usage Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy. The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at Express Maintenance Mobile App unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information specific to the use of our products. The information that we request will be retained by us and used as described in this privacy policy. The app does use third-party services that may collect information used to identify you. Link to the privacy policy of third-party service providers used by the application to view their specific privacy policies.

Log Data

We want to inform you that whenever you use our Service, in a case of an error in the app we collect data and information (through third-party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory. When the Service uses cookies, it is for configuration information and other use information related directly to the use of our

Service. The application may use third-party code and libraries that use “cookies” to collect information and improve their services. You have the option to either accept or refuse cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, the Service will not function properly.

Service Providers

EM may employ third-party companies and individuals due to the following reasons: To facilitate our Service; To provide the Service on our behalf; To perform Service-related services, or to assist us in analyzing how our Service is used. We want to inform users of this Service that these third parties have access to your Business Information, Personal Information when using a personal device, and your use patterns. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in exposing your Business Information and Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites and services. If you click on a third-party link or accesses a third-party service, you will be directed to that site or consume that service. Note that these external sites and services are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites and services. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.
